

The 3rd Global Conference on Artificial Intelligence (GCAI 2017)

Miami, USA, 18th-22nd October 2017

<http://easychair.org/smart-program/GCAI2017/>

The 3rd Global Conference on Artificial Intelligence will be held in Miami, USA, at the Courtyard Marriott hotel in Coconut Grove, 18th-22nd October 2017. The conference, which addresses all aspects of artificial intelligence, is being organized by LRG (<http://www.lrg.global>) and the University of Miami. The program chairs are Christoph Benz Müller, Christine Lisetti and Martin Theobald. The conference chair is Geoff Sutcliffe.

SUBMISSION

Submissions in all areas of artificial intelligence are welcome, including, but not limited to:

Foundations

- Knowledge representation
- Cognitive modeling
- Perception
- Search
- Reasoning and programming
- Machine learning
- Constraints and uncertainty

Architectures

- Agents and distributed AI
- Intelligent user interfaces
- Natural language systems and linguistics
- Information retrieval
- Case-based reasoning
- Affective computing
- Robotics

Applications

- Aviation and aerospace
- Education and tutoring systems
- Games and entertainment
- Law and Machine ethics
- Mathematics and the Sciences
- Medicine and healthcare
- Management and manufacturing
- World Wide Web
- Security

Implications

- Philosophical foundations
- Social impact and ethics
- Evaluation of AI systems
- AI education

DATES

- | | | | |
|--------------------------|-------------|------------------|-------------------|
| • Abstract registration: | 30th June | • Final version: | 25th August |
| • Submission: | 7th July | • Workshops: | 18th October |
| • Notification: | 11th August | • Conference: | 19th-22nd October |

SUBMISSION and PUBLICATION

Submission via EasyChair: <https://easychair.org/conferences/?conf=gcai2017>. The proceedings will be published by EasyChair Publications in the EPiC Series in Computing. The volume will be open access and authors will retain copyright.

INVITED SPEAKERS

- Marijn Heule, University of Texas at Austin, USA
- Catherine Pelachaud, University Pierre and Marie Curie, France
- Guy van den Broeck, University of California Los Angeles, USA
